

Help Us to Help Others

Each of us can give something back to the world we live in.

"I truly believe the foundation of the great success we've had in our 24

years is that we've built our business and reputation on helping others first." says Greg Schenk, President of The Schenk Company, Inc. , "And this year the more people that know who we are, what we do, and how we have helped people in central Ohio, the more we can contribute to our community."

This year The Schenk Company's long history of giving back to the community continues with a pledge to donate \$1,000 to charity for every new client received by introduction.

Since 1986 The Schenk Company has been actively involved in contributing both time and money to a number of charities including:

- The American Heart Association: Assisted with its night golf tournament, raising funds annually in the late 1980s.

- United Way Young Leaders Group: Member in the 1990s.
- Junior Achievement: Mentor to kids in Grandview grade school in the 1990's.
- The Evans Scholarship Program: Active member. "This OSU Scholarship that brought me to Columbus changed my life forever!" says Greg Schenk. "We have trained caddies from 1986-2000, donated financially to help kids in college, and mentored them from 1986 to the present."
- The Ohio State University: Currently active at the Younkin Success Center, mentoring student athletes. (2004 to present)
- Big Brothers Big Sisters: Actively involved. (1999- present)
- First Team Basketball Camps: Counseling inner city kids with basic basketball skills, while teaching them how to apply hard work on the court with success in everyday life. (1997 to present)
- Fore Hope: Helping individual's physical disabilities. (2000- present)
- March of Dimes: Aided this group as a block supporter. (2006 on)
- The Jeff Schenk Memorial Fund at Nationwide Children's Hospital: Established this fund in 1999 and actively building on it. (1999- Present)

"Now that I have a six year old son I know more than ever how precious life is. I vow that these charities will have our continued support to assist individuals in pain and need." says Schenk.

So, please help spread the word about this program. If you know of anyone you think we should meet please give us a call.

For every client received this year through a personal introduction, Greg Schenk will donate \$1,000 to the Nationwide Children's Hospital for the Jeffery Schenk Memorial Fund. This fund was established in memory of his brother who passed away at age 15 from Lymphoma. "Not a day goes by without me wishing I had the answer then to this ongoing problem. Please help us help others in our community."

For anyone with a special interest in a different charity, the donation can instead be made to that organization.
